

## **FOR IMMEDIATE RELEASE:**

### **Introducing the AIR N ARC<sup>®</sup> 300**

**The Lightest, Most Compact Welder | Generator | Air Compressor | Battery Booster ALL-IN-ONE Power System<sup>®</sup> on the Market**

**Now available in Gas and Diesel**

The Air N Arc<sup>™</sup> ALL-IN-ONE Power System<sup>®</sup> offers a 40 cfm rotary screw compressor combined with a 7kW Generator, 300 amp Welder and Battery Booster in one compact footprint. With its small dimensions the unit can be mounted on a side-pack or behind the cab making it the most versatile unit on the market.

Equipped with a true two generator system, the Air N ARC 300 delivers safe multi-function of electrical tools, plus all the benefits of a high frequency welder with excellent weld characteristics.

The totally self-contained unit allows for more efficient use of truck space and can be integrated with the chassis for maximum versatility. The Air N Arc 300 control panel can be remotely mounted for the ultimate in user convenience and productivity.

Designed for maximum fuel efficiency, the AIR N ARC<sup>™</sup> 300 is now available in both gas and diesel versions.

Since 1972, Vanair has been the industry's Mobile Power Experts. Today, it is the world's largest manufacturer of powerful, lightweight and compact vehicle-mounted air compressors, generators, welders, battery boosters and Air N Arc<sup>®</sup> All-In-One Power Systems<sup>®</sup>.
