

FOR IMMEDIATE RELEASE:

New service technicians at Vanair

Michigan City, Indiana, September 6, 2011 Vanair is pleased to announce that James Price, Seth Parrish and Jay Woodrick have become new service technicians for the company. Price brings over ten years of experience as a technician to Vanair and is a Factory Certified Technician from the Motorcycle Mechanics Institute of Phoenix.

Current Vanair employees, Parrish and Woodrick, are being promoted to the Service Team. Parrish graduated from the Lincoln College of Technology, in Indianapolis, IN, where he received his diploma in Automotive Diesel and Truck Technology. Woodrick received his Associates of Applied Science in Automotive Technology at Kalamazoo Valley Community College in Kalamazoo, MI.

Since 1972, Vanair has been the industry's Mobile Power Experts. Today, it is the world's largest manufacturer of powerful, lightweight and compact vehicle-mounted air compressors, generators, welders, battery boosters and Air N Arc® All-In-One Power Systems®. Vanair continues to be the leader in product innovation and custom solutions serving a variety of industries worldwide.
